KNX RECOGNIZED BUS CABLE

According to clause 3.12.7 of Volume 5 'Certification Manual Version 2.0' of the KNX Standard, the following non-KNX members have submitted a filled out Manufacturer's Declaration on Cable, thereby declaring that their cables comply to the KNX TP1 requirements. Accordingly, KNX records this information in the list of KNX recognized cables as given below.

Note: these bus cables may **not** be labeled with the KNX or EIB Trademark.
